Richmond Public Safety Building

Take a good look at our "new" safety building! Can you see all the effort, the countless hours of volunteer labor tightly woven into its very fabric? It's there! This precious ingredient makes the building a living part of Richmond and keeps it firm against the elements.

Look at the left half - towards the library. Hundreds of bingo games raised the money to build it and the hearts and hands of all the folks who made it happen will always reside in every brick and block. The dream that formed that left side became reality in 1962 and the Richmond Volunteer Fire Company had a home.

As Thirty Years pass. Richmond grows and its needs grow with the population. The home is now too small to hold the family. Even the office - and - meeting room has been converted to hold the Rescue truck. The Police and Fire Departments are borrowing space from Civil Defense.

Now look at the right side of the building. It's new! It has two stories, vinyl siding, a tower and a Police Station! In another way it's different because it was paid for by a combination of town money and Fire Company and Rescue Squad funds and many individual donations. Looking under the vinyl siding you will find a sturdy frame of lumber sawed from Richmond hemlock at a Richmond mill. Assembled by a local contractor aided by volunteers this half became functional in 1993. The Fire Department is under one roof with room to grow and the Police have their own station! Is the work finished? No. And it may never be as long as volunteers continue to bring life to these buildings. The buildings will continue to live through them and for Richmond.

AUDITOR'S REPORT

Richmond, NH 034
February 1994

The Board of Selectmen
Town of Richmond
Richmond, NH 03470

I herewith submit the report on the audit and examination of the Town of Richmond accounts and records for the fiscal year ended December 31, 1994. The enclosed financial statements are an integral part of this report and must be retained by the town Clerk with other permanent Town records.

Scope of Audit

The account and records of the Board of Selectmen, Treasurer, Tax Collector and Town Clerk were carefully verified and checked.

Financial Statements

1. The Statement of Appropriations and Expenditures show a net unexpended balance of appropriations amounting to \$32,437.76. In 1993, there were \$32,737.59 in unexpended balances.
2. The Statement of Estimated and Actual Revenue shows a net revenue deficit of \$51,099.68. In 1993, the net revenue surplus amounted to \$13,803.27.
3. The budget Summary indicates a net budget deficit of \$14,649.67.
4. The account of the Town Treasurer, Town Clerk, Tax Collector and Fire Department Equipment Fund have been summarized and tabulated.

Audit Procedures

The accounts and records of Town Officials charged with the receipt, disbursement and custody of public funds, as indicated by the scope of the audit, were inspected and verified to the best of my knowledge and ability. All town books and accounts were examined carefully and, where necessary, tests of certain records were made as part of the audit.

Certification of Audit

I hereby certify that I have examined and audited the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1994. In my opinion, the attached statements represent the financial position of the Town of Richmond for this period.

Appreciation

I sincerely thank the Town Clerk, Tax Collector, Town Treasurer, Selectmen and their Secretary for their kind help and cooperation during the examination of their books and records.

Respectfully submitted,

Loreal R. Condon
Town Auditor
Richmond, NH

SELECTBOARD ANNUAL REPORT

1994 was an excellent year for the Town of Richmond. Taxes went down and the Town remained debt-free. We survived a brutal winter and owe a special debt to our Police, Fire, and Rescue Squads for their fine service.

Bonnie McCarthy has taken over as our secretary and is doing a great job. Dan Firmin is now plowing our town roads and, along with Joe Davis, is providing excellent service on our streets and highways.

Land fill closure now looms as the biggest cloud on the horizon. The basic plan is to close the landfill in 1996 and cap it with a 40 millimeter polyethylene cover. The cap section will also include a sand buffer, gas venting layer, drainage/protective layer, and a vegetated topsoil layer. The total cost will be \$858,500 plus \$72,300 to build a transfer station with baler and glass crushers. Richmond's share of both projects will be at least \$167,544.

On a bizarre note, the biggest drug bust in New Hampshire history occurred in Richmond in 1994.

On a more positive note, the SelectBoard has joined the Conservation Commission in negotiating an agreement with TreeGrowers Inc. which will provide residents of Richmond with a permanent conservation easement to the Richmond Soapstone Quarry which is a stone quarry of major geological and historical significance and is located on Parker Hill.

The Town lost the Paragon Antenna lawsuit and further cable expansion is now pretty much a dead issue. And the State achieved final victory over the beavers and the beaver pond is gone.

Respectfully submitted,
David Kochman, Chairman

TOWN CLERK'S REPORT

For the second year in a row the Town Clerk's office has seen a large increase in revenue collected (up \$9,489). Ninety percent of the people chose to purchase their decals in town, resulting in an extra \$165. Car registrations were up \$8,343. The state raised the dog fees by \$2, increasing the town revenue by \$360.

We have decided to stay with our present computer company, since they were finally able to get the motor vehicle program running satisfactorily. For all our troubles, we were given (at no extra cost) a few added features that we did not have at first. Also our computer was able to handle all the changes without requiring any more upgrades. Therefore, we did not spend any of the \$4,000 appropriated by the voters in Article Seven in the 1994 Warrant. I have, however, suggested to the Selectmen that they include in their warrant, each year, an amount solely for the use of computer repair or upgrade and to be used for nothing else. This way we would be covered for emergencies if our computers need expensive repairs or upgrades.

Many people have noticed that we rearranged the counters and desks at the office. This has given us a lot more room behind the counters to maneuver.

Respectfully submitted,
Pamela Goodell
Town Clerk

REPORT OF FIRE DEPARTMENT

Your Volunteer Fire Company thanks everyone for making 1994 another fire safe year in Richmond. Attention to fire safety pays big dividends for all who practice it. We would again like to remind you that a readable street number on the 4 corner side of your mailbox will help us find you on those dark foggy nights. Minutes can be very important in both fires and rescue emergencies. We need your help in finding your house quickly!!

Emergency services will get some help this year when 911 telephone service becomes operational in New Hampshire. This should happen in 1995 perhaps as early as July. Not only does 911 make it easier for you to reach us but it helps us to reach you by identifying where the call originated. Until you hear all the noise about 911 being operational continue to dial **352-1100** for all emergencies!

The record for 1994 shows your fire department responding to 51 calls, nine of these were to assist other towns. We responded to:

- 3 Brush fires
- 4 Chimney fires
- 6 Mutual Aid calls
- 3 Mutual Aid calls
- 3 Mutual Aid cover (station) assignments
- 5 Motor Vehicle accidents
- 7 Miscellaneous calls
- 22 Rescue calls
- 1 Structure Fire

Including the 2 day power outage over 895 personnel hours were expended in direct emergency service. This equates to a payroll of over \$7,000 (\$8/hr) for just these in service hours. We are pleased to contribute these hours to Richmond and use our precious tax dollars for equipment and operational costs. Your fire department is always looking for more members. If you would like to join us please get in touch! We look forward to serving you in 1995 and hope that it is at the Richmond Day barbecue and not during an emergency!

Our sincere thanks to the entire Richmond Fire Department and their families for all their efforts in making out town a better place to live.

Respectfully submitted,
Leland Robbins, Chief
H.B. Shaw III, Deputy

REPORT OF THE TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

In calendar year 1994, our three (3) leading causes of fires were No Permit, Children and Rekindles of fires where the fire was not properly extinguished.

Violations of RSA 224:27 II, the fire permit law, and the other burning laws of the state of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

<u>Fire Statistics</u>	<u>1994</u>	<u>Average 1990-1993</u>
Number of Fires Reported to State for Cost Share Payment	283	443
Acres Burned	217	246

Local communities and the State share the cost of suppression on a 50/50 basis. The State of New Hampshire operates 15 fire towers and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local fire departments.

REPORT OF THE POLICE DEPARTMENT

This past year has followed previous years activity, only more of it. In particular, we have had increased activity in domestic problems, juvenile cases and burglaries, in that order.

After reviewing some of these cases I have found that some families with domestic problems and have juveniles at home, have juveniles who are involved in some of the criminal mischief cases and burglary cases.

Investigations have revealed that suspects and or perpetrators are unsupervised juveniles who for the most part are left alone for a period of time. Some go to school and are home alone until the parent of parents return home from work. Some are not in school but are still living at home and do not have a job. Some are just unsupervised.

For some of the juveniles who are in this category this is not a problem, but there are some who find this period of time to get into mischief and sometimes even serious crime.

I don't mean to pick on juveniles and parents for an increase in our crime rate, but this is what some of our investigations have revealed.

As parents and residents alike, we all have a responsibility to be aware of what goes on around our town. Do a little detective work. You may be surprised to find out who, is doing what.

Report any and all suspicious activity. Help your town and the police take a bite out of crime. In case of any emergency, call Mutual Aid dispatch, 352-1100. The 24 hour dispatch service can quickly locate and send the appropriate service for any emergency.

REPORT OF THE CEMETERY TRUSTEES

After having excerpts from last year's report re-printed throughout the county, we have a traditionally quiet year to report this year. Nine graves were sold, one pauper's grave given out, and four burials.

The planned work on Barrus Cemetery on Whipple Hill was not accomplished, and has been re-scheduled for the Summer of 1995. Thanks to everyone for their cooperation.

RICHMOND CONSERVATION COMMISSION

Annual Report

During the past year, your Conservation Commission has taken positive steps to secure and expand the legacy the Town will bequeath to its following generations:

- The Bennett Easement on Brickyard Brook has now been fully implemented.
- Negotiations for protection of the great blue heron rookery on the Lyman O. Cass Estate property are close to conclusion. Lyman H. Cass, the Estate's administrator, is presently reviewing the Commission's draft easement deed for the perpetual protection of this important natural resource.
- Your Commission is in the final stages of negotiations with Tree Growers, Inc., (TGI) for a mutually-beneficial swap: The Commission proposes conveying to Tree Growers an easement allowing TGI the right to flood a small acreage of Town Forest land in Sprague Meadow, up to a maximum height of 842 feet above mean sea level. In return for this flowage right, TGI has agreed to grant to the Town a perpetual easement to the Harris Soapstone Quarry on Parker Hill. In the Commission's view the proposed swap carries a three-part benefit to the Town: (1) Permanent protection will be afforded for the soapstone quarry; (2) Permanent public access to the proposed Sprague Meadow impoundment will be secured, and (3) Significant ecological benefits may be expected, such as increased waterfowl breeding habitat, and increased amount of wetlands "edge."

Through the provisions of the Harry J. Bennett Memorial Fund, the Commission has donated \$500 to the Richmond Public Library. This amount is to be spent at the Librarian's discretion to purchase books or other materials with a conservation or ecological orientation for addition to the library's permanent collection.

The Commission also provided \$275 tuition costs for Andrew Van Brocklin to attend the Youth Conservation Camp of the Society for the Protection of New

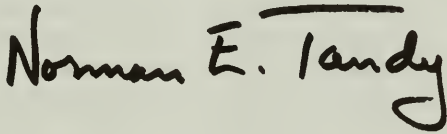

Hampshire Forests. Andy reports that he thoroughly enjoyed the educational and recreational experience the camp provides.

If there is a young person in your family who would benefit from a session at the Youth Conservation Camp, please contact any member of the Commission before May first. Applicants (either male or female) must have completed the eighth grade and be between 13 and 18 years of age.

The Commission extends its thanks to Joseph Calabro for his many years of service to the Commission and to the Town. Joe resigned from the Commission because of moving to Keene. The Commission will submit its nomination for Joe's successor to the Selectboard for their approval.

Finally, the Commission would like all property owners to consider the advantages of conservation easements. These legal documents can provide permanent protection for areas of esthetic or ecological importance. Such easements are flexible and can be designed to suit the wishes of the landowner. Significant tax benefits may be possible. If you would like to investigate how such an easement might suit your needs, please contact the Secretary for more information.

Respectfully submitted,

RECREATION COMMITTEE REPORT

The Recreation Committee once again began 1994 with the annual Easter Egg Hunt. New England weather makes it difficult to have an Easter Egg Hunt outdoors but once again the Recreation Committee tried to accommodate the weather as best it could. Children enjoyed their little Easter baskets and the variety of "surprises" found in the Easter Eggs. Refreshments were served and there was once again an appearance from the Easter Bunny.

Summer began with Red Cross swimming lessons at Camp Takoda. Swimming lessons are provided free of charge to all children of town residents. Children as young as five and as old as fifteen attended lessons. All levels of instruction were offered from beginners through advanced. Lessons were given three days a week for three days. Children who attend all of the swimming sessions get the most out of the lessons and many return every year to further advance their swimming skills.

Summer Day Camp was offered three days a week for three weeks during the first two weeks of August. Summer camp was held at the town pavilion. The Recreation Committee ran the camp with the help of volunteers and some older youths who received stipends for their services. This was the first year that camp was offered free of charge to all town residents. The camp was also offered to children who ranged in age from four to twelve. Parents were encouraged to bring their younger children if they were able to chaperone them during camp activities. Camp activities included daily arts and crafts projects, games and water play. Special presentations included a visit from the Richmond Fire Department, a potpourri class, an outdoor science presentation and contra dancing. Children performed in a talent show for parents on Family night. Everyone did a great job!

Summer ended with Richmond Days on Labor Day weekend and the annual Race to the Border and Back. The Richmond Recreation Committee registered and timed all walkers (over 40 children and adults). During the annual chicken barbeque, the Recreation Committee offered games and prizes for children. The emphasis this year was on fun for the children. Every child who played a game won a prize and many came back to play again and again. Games included a ping pong toss, fishing and velcro-darts. All of the money raised from the run and the walk was donated to the Richmond Library.

The annual Halloween party was held at the pavilion on Sunday, October 30th and was extremely well attended. A large bonfire was set with the help of some of our volunteer firemen. Scary stories were told around the bonfire all through the evening. Adults and children participated in the costume contest. Winners received T-shirts that were made by members of the Recreation Committee. Children bobbed for apples, ate donuts from

strings, played with a pinata, painted pumpkins, decorated balloons and made ghosts. Refreshments were served throughout the night and when the evening was all over a few volunteers stayed to help clean up--though most everything had already been eaten up!

The Recreation Committee had an additional event this year--a Christmas Craft Party. Though we had hoped for greater attendance, those children who did come had a wonderful time. Children decorated Christmas wreaths, made angel and snowmen ornaments and decorated T-shirts with fabric paint and sponges. Refreshments were served and each child who attended received a Christmas bucket filled with "goodies". We hope to have another Christmas oriented event in 1995 and to start a Christmas tradition in Richmond once again.

Thank you to everyone who volunteered and helped to make 1994 an exciting and enjoyable year for the Recreation Committee.

HOME HEALTH CARE & COMMUNITY SERVICES

REPORT TO THE TOWN OF RICHMOND
JANUARY 1, 1994 TO DECEMBER 31, 1994

ANNUAL REPORT

In 1994, Home Health Care and Community Services (HCS) continued to provide home care and community services to the residents of Richmond. The following information represents a projection of HCS's activities in your community in 1994. The projection is based on actual services provided from January through September 1994 and an estimate of usage during October, November and December.

Total Unduplicated Residents Served: 13

Regularly scheduled wellness clinics, child health clinics, prenatal and hospice care are also available to residents. Town funding partially supports these services.

FINANCIAL REPORT

The actual cost of all services provided in 1994 with all funding sources is projected to be \$19,214.11. These services have been supported by Medicare, Medicaid, other insurances, grants and patient fees.

The total cost of services provided for a partial fee, or at no charge to residents in 1994 is projected to be \$877.00 for home care.

For 1995, we recommend an appropriation of \$3,000.00 to continue home care services at the current level.

Thank you for your consideration.

ROAD AGENT'S REPORT

This year grading roads started April 26. It takes about three weeks to grade all roads. Cleaning ditches, widening and sealing work was done on Whipple Hill, Cross and Morgan Road. Backhoe work was done on Lang, Activity, Tully Brook and Martin Road.

General maintenance consisted of cutting brush, cleaning ditches and culverts, replacing road signs and cleaning up after storms. Calcium Chloride was used on the heavier traveled roads for dust control.

Winter Maintenance through bidding process for the second part of 1994 season and first part of 1995 season, all roads, was awarded to Dan Firman.

Beavers were quite active this year on Cross, Taylor Hill, Greenwoods and Tully Brook Road.

Respectfully Submitted,

Leonard Davis, Road Agent

1994 Archives Report

As the Richmond Archives approaches its 20th year of existence, we are grateful to all those who have contributed in the effort to provide preservation of historical material and information on Richmond's history.

During the past year, service was provided to approximately 28 individuals as follows: 13 phone inquiries, 6 written inquiries and 9 visits by appointment. The Archives also provided research to the Historical Society of Cheshire County for a slide show of historical places in towns within the Cheshire county. Contributors attended a preview presentation in September for the final editing of the program. The slide show is now available on loan through the Historical Society of Cheshire County.

Several books were purchased to aid in research efforts and will be cataloged through the Richmond Library. Also, paint and supplies were purchased in 1994 for a spring '95 waterproofing project to be done on the inside walls of the Archives.

Richmond Archives continues to be available to the public Tuesday through Friday mornings from 9 am to noon by appointment. To arrange for a visit, call 239-4598.

Norma Thibodeau, Archivist

LIBRARIAN'S REPORT

New patrons, changes, additions and progress...

It's been quite a year for your library. We've added 36 people to our regular roster of "borrowers": 22 adults and 14 children/juniors. The library collection has increased by 1198 books, 17 videos and 17 audio cassettes. At the end of the year, we placed an order for a new set of Encyclopedia Britannica. In addition to new children's books and adult reading material, we did focus on adding to our junior fiction, non-fiction and general reference books. A new bookcase houses general reference books, and the new study/reference work station is now completed. Installation of six new bulletin board will make it easier to post information useful to library users and to call attention to new materials and services. More shelving and reorganization will continue throughout '95.

We are also excited about our progress towards automation. Our card catalog will be on computer; we are now able to access Keene State College and Keene Public Library card catalogs (among others) via our computer and new modem; and we will soon be initiating Inter-Library Loan requests via the computer. A new fax machine was installed to enable us to utilize the State Library new services.

Thanks to the sponsorship of the Friends of the Library, 54 children participated in the summer reading program.

We are still a small town library, but no longer limited to what we can offer the citizens of Richmond. Many, many people are responsible for making this possible: through town appropriations, private donations of individuals and various civic organizations, Friends of the Library, and proceeds from book sales of local authors. The list doesn't stop there. We want to thank those who have donated their time and services in a variety of ways. Our new lighting was done by Gary Zitta of Zitta Refrigeration and shelves and work stations were built by Bud Jacobson and Bob Weekes. We have people behind the scenes doing vacuuming and general helping out in the Library freeing Dianne's time for major library functions. To all of you who have made such valuable contributions toward improving our library and to all our patrons, we "thank you" for your continued support.

To our regular patrons, we enjoy seeing you. If you haven't been in lately, stop in. Let us know what you need. If we don't have it, we'll get it for you. If we don't have a service you would like to see us offer, let us know. We are open Tuesdays and Saturdays, and you can contact Dianne by calling 239-6164. We hope to see you real soon.

RESCUE SQUAD REPORT

In 1994, the Richmond Rescue Squad has continued to serve the Town during times of emergencies. When a person is injured, or becomes ill, some time usually passes between the event and the arrival at the hospital. The Emergency Medical Services (EMS) system has been developed to provide "pre-hospital" care.

Its purpose is to get trained personnel to the patient as quickly as possible to provide emergency care on the scene, and enroute to the hospital.

To be effective, we must maintain our skills and knowledge. This includes practicing until we have obtained confidence and mastery of skills. After that, continuing education and re-certification are necessary to remain active in Richmond Rescue.

The first consideration is to make patient care and well-being a priority at all times and at all scenes. This includes Cardio-Pulmonary Resuscitation (CPR), which is a method of artificial ventilations, bleeding control and more.

We attend monthly training sessions with Winchester Ambulance, seminars at Cheshire Hospital, as well as "doing our own thing."

A CPR course will be offered this Spring for anyone interested. Please contact me for the dates and location of this.

The wonderful support given to us is just outstanding. The members wish to thank the townspeople for such backing. Without that support, our job would be very hard. Remember, if you need the Rescue Squad, call Mutual Aid (352-1100). We will be toned out by them. We are always on call.

BEACH COMMITTEE REPORT

It was not a quiet summer at the Richmond Town beach. While folks enjoyed the sand and the sun, the Canadian Geese enjoyed the water, much to our dismay.

Several attempts to move the geese were tried. Yet nothing upset the geese enough to leave the feeding that kind-hearted, well meaning visitors supplied.

Once again, while many enjoyed the Town Beach, most seem reluctant to serve on the Beach Committee. There are, however, openings, if anyone is interested in joining.

If a problem arises concerning the Beach, the committee always appreciates a call informing us of the situation.

Thanks to all who helped in many ways to keep our Beach a place to be enjoyed by all. THINK BEACH.

Respectfully submitted,
Patty Webber

P.S. — Don't forget to leave the dog at home. They are NOT welcome at the Beach.
